

Short Term Hospitalization Projections

Posterior Distribution, niter = 364

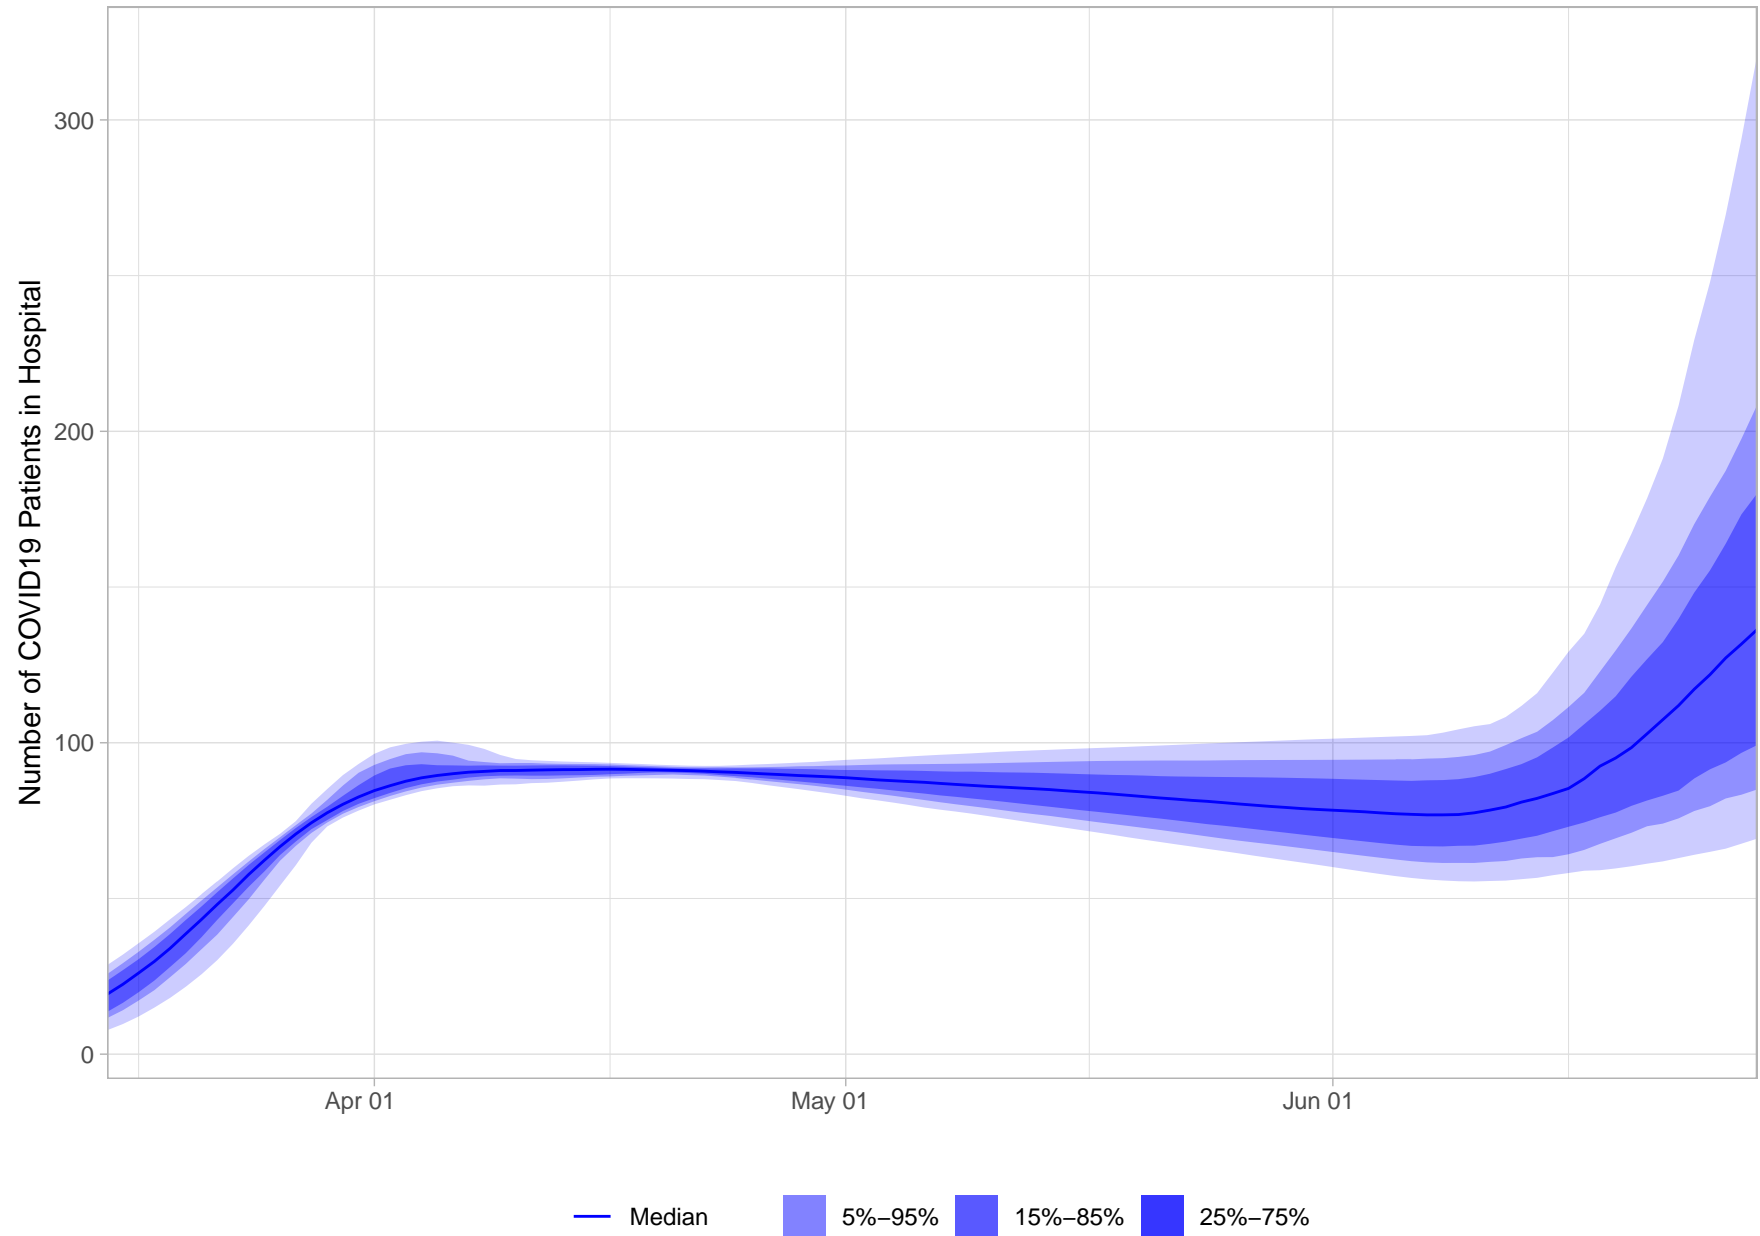

Low number of iterations, use with caution

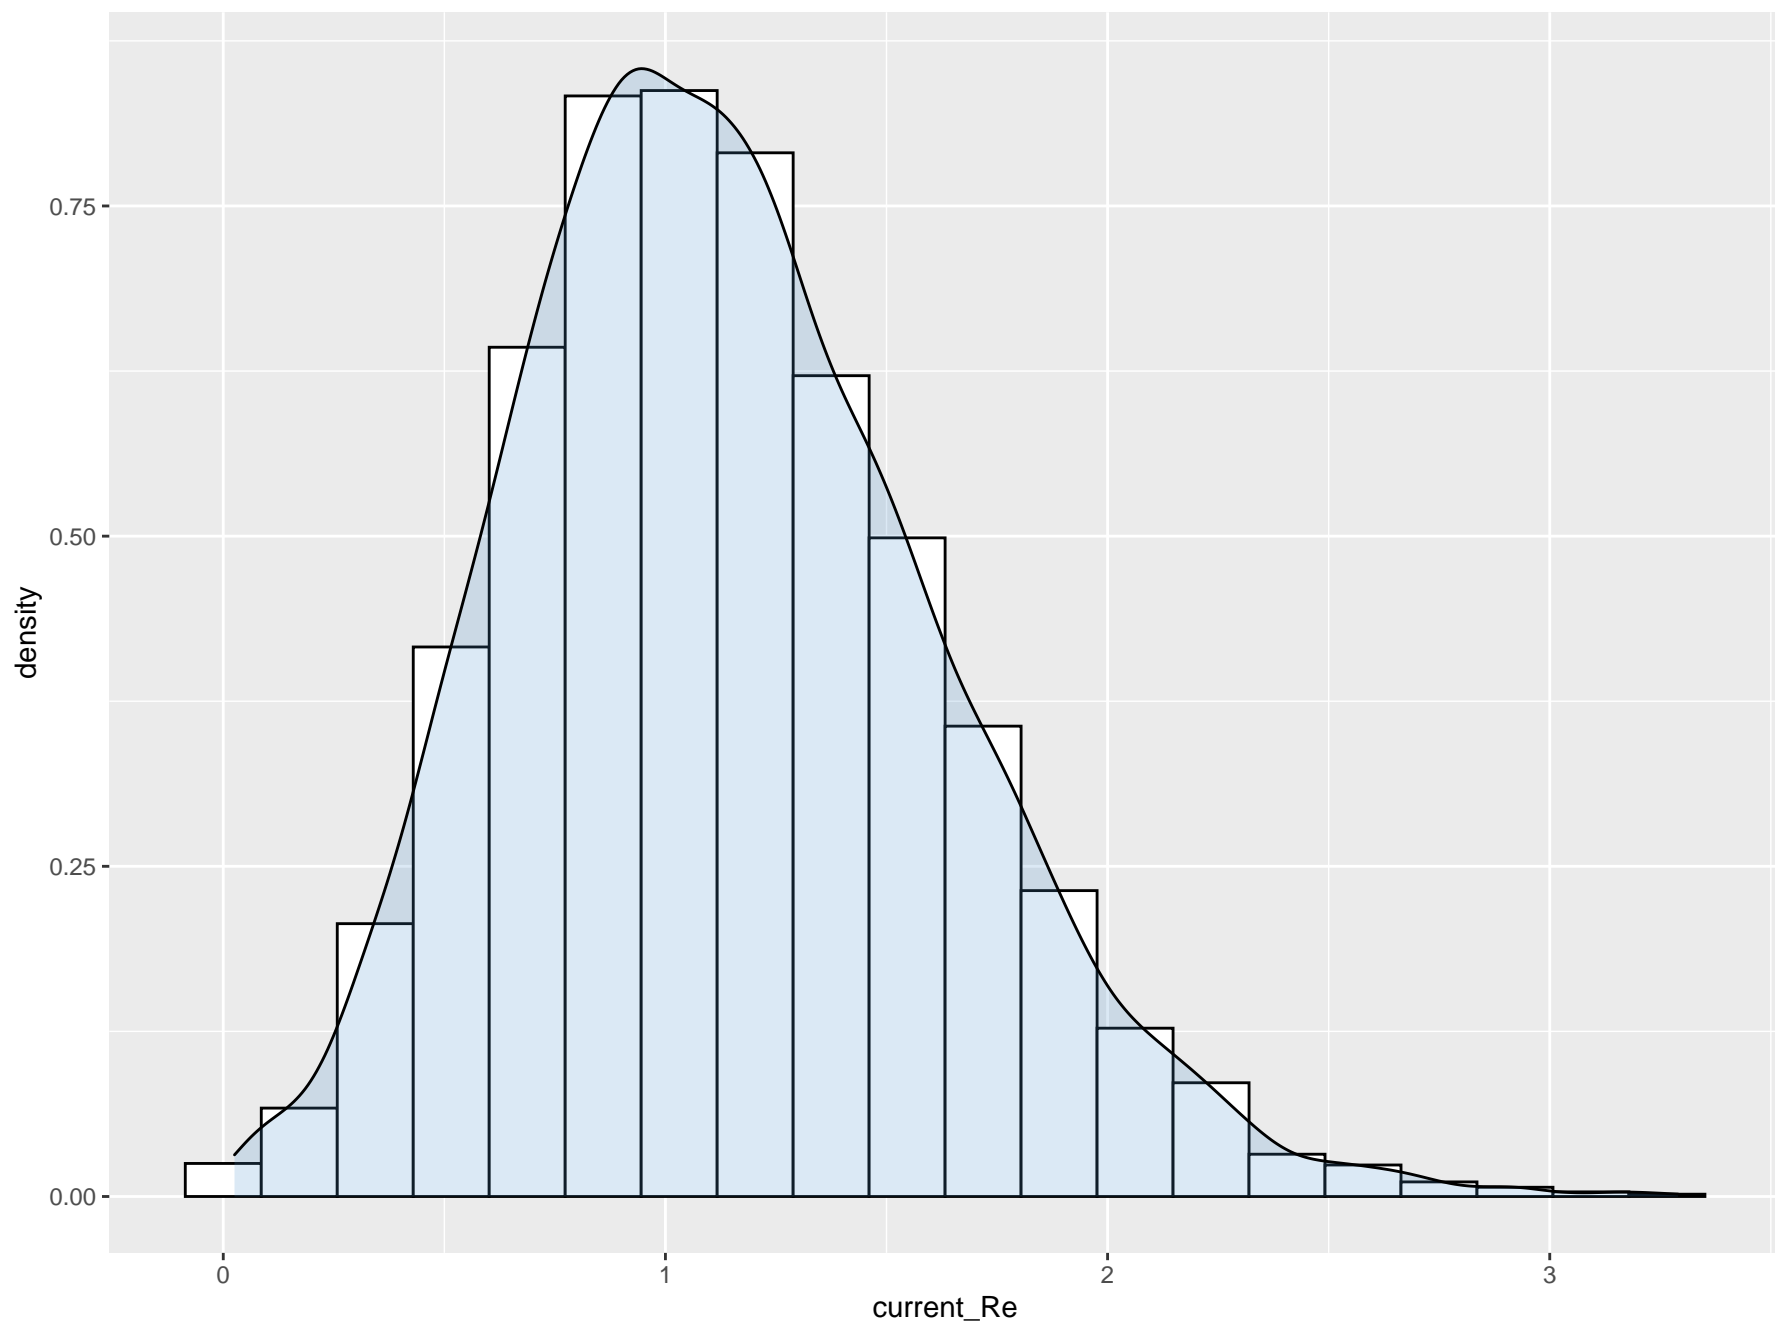

Long Term Hospitalization Projections

Posterior Distribution, niter = 364

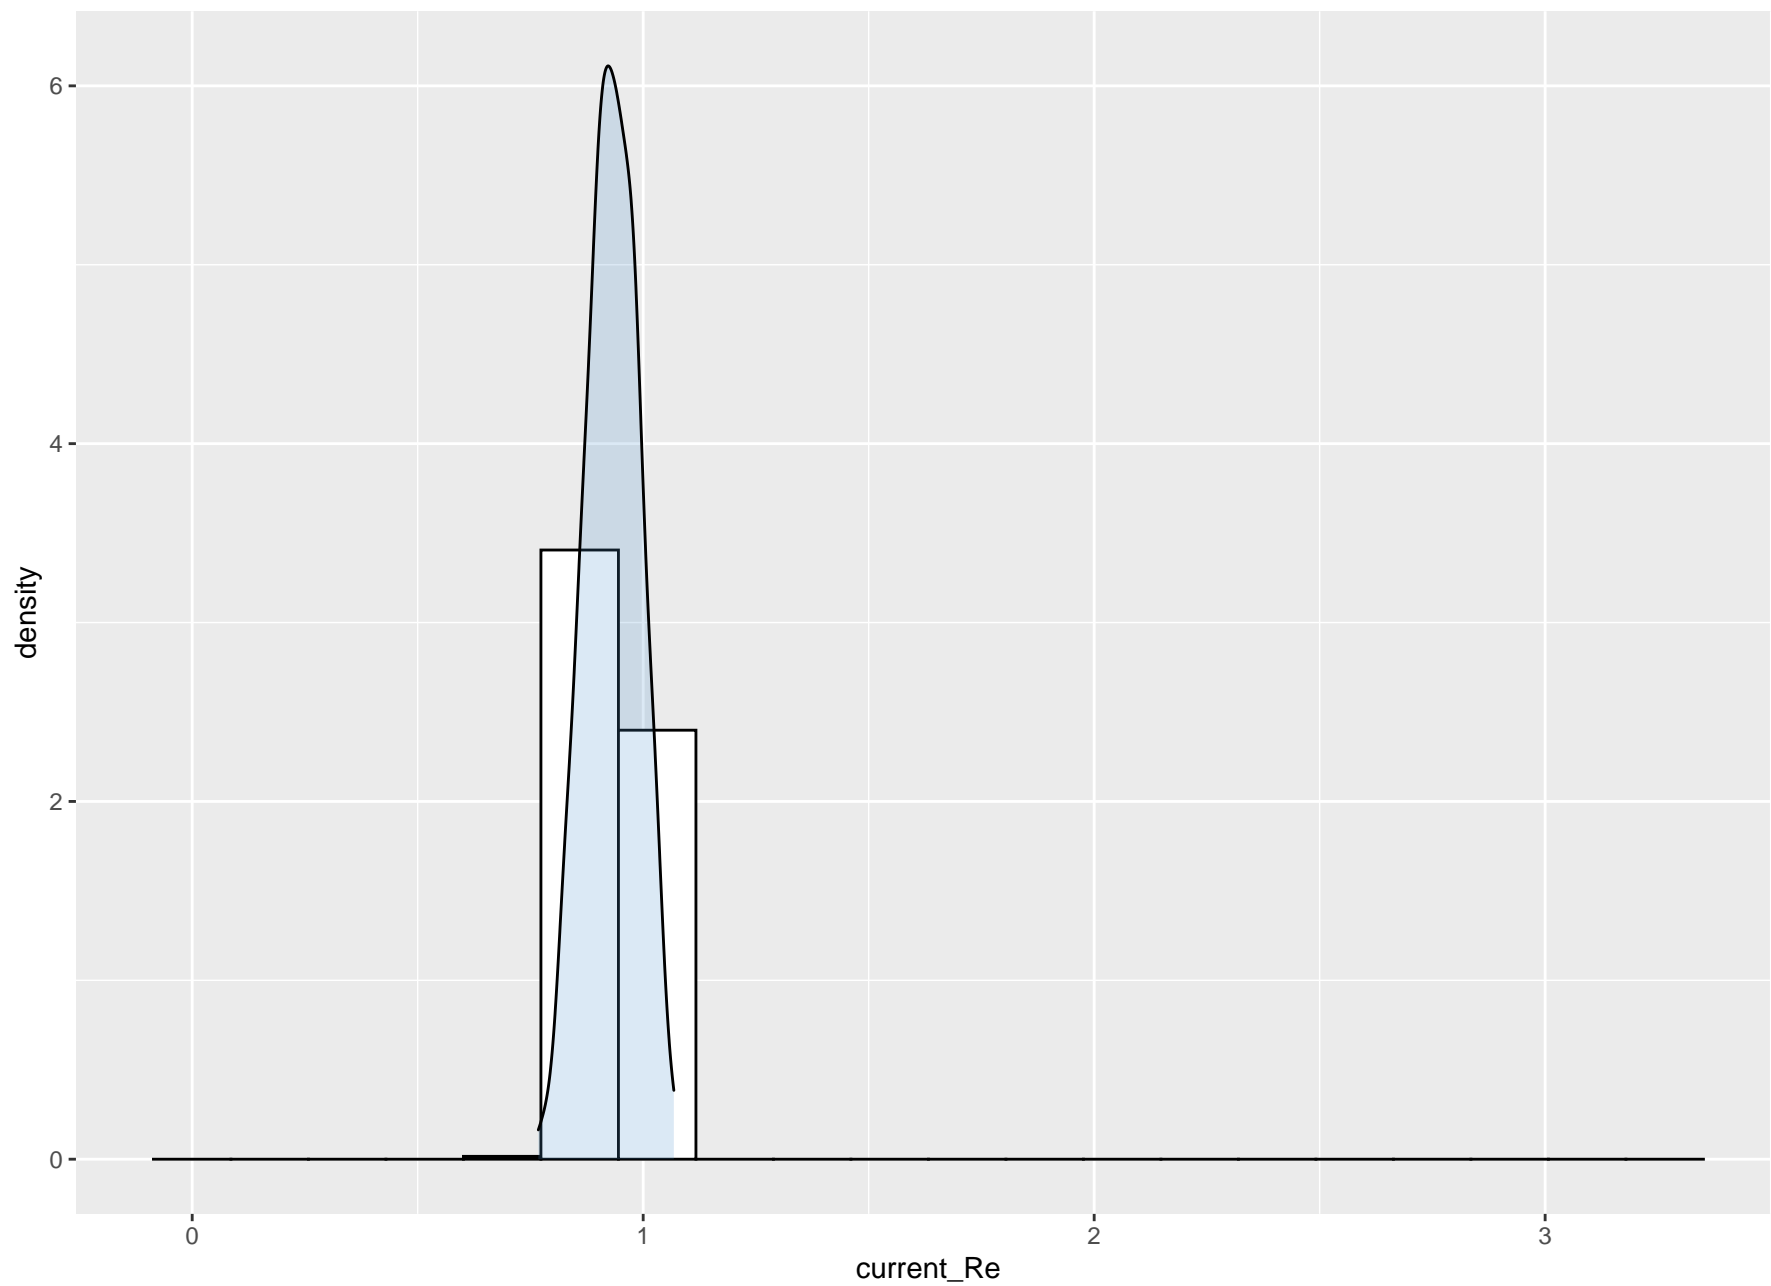

Low number of iterations, use with caution

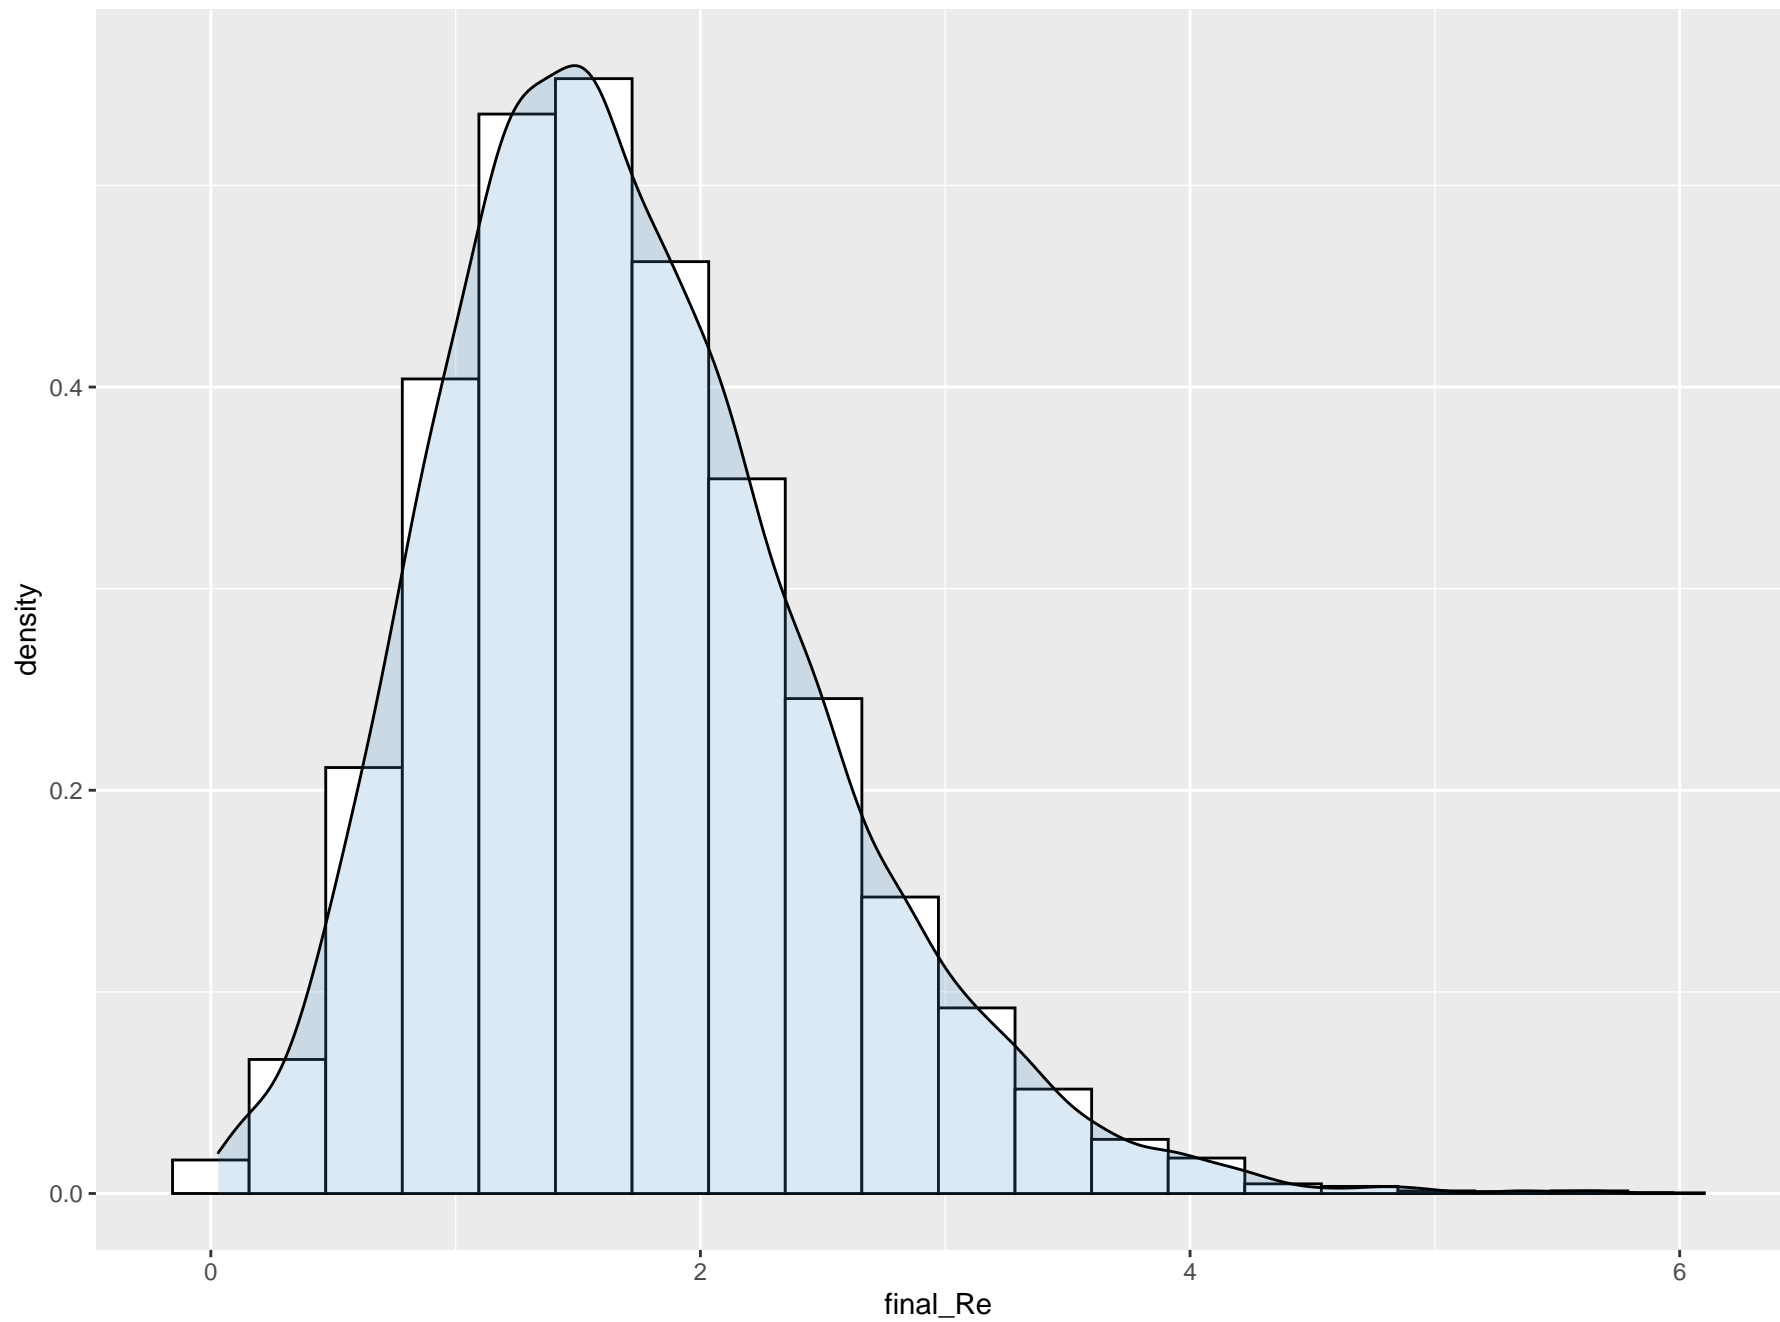

Prior Distribution, niter = 10000

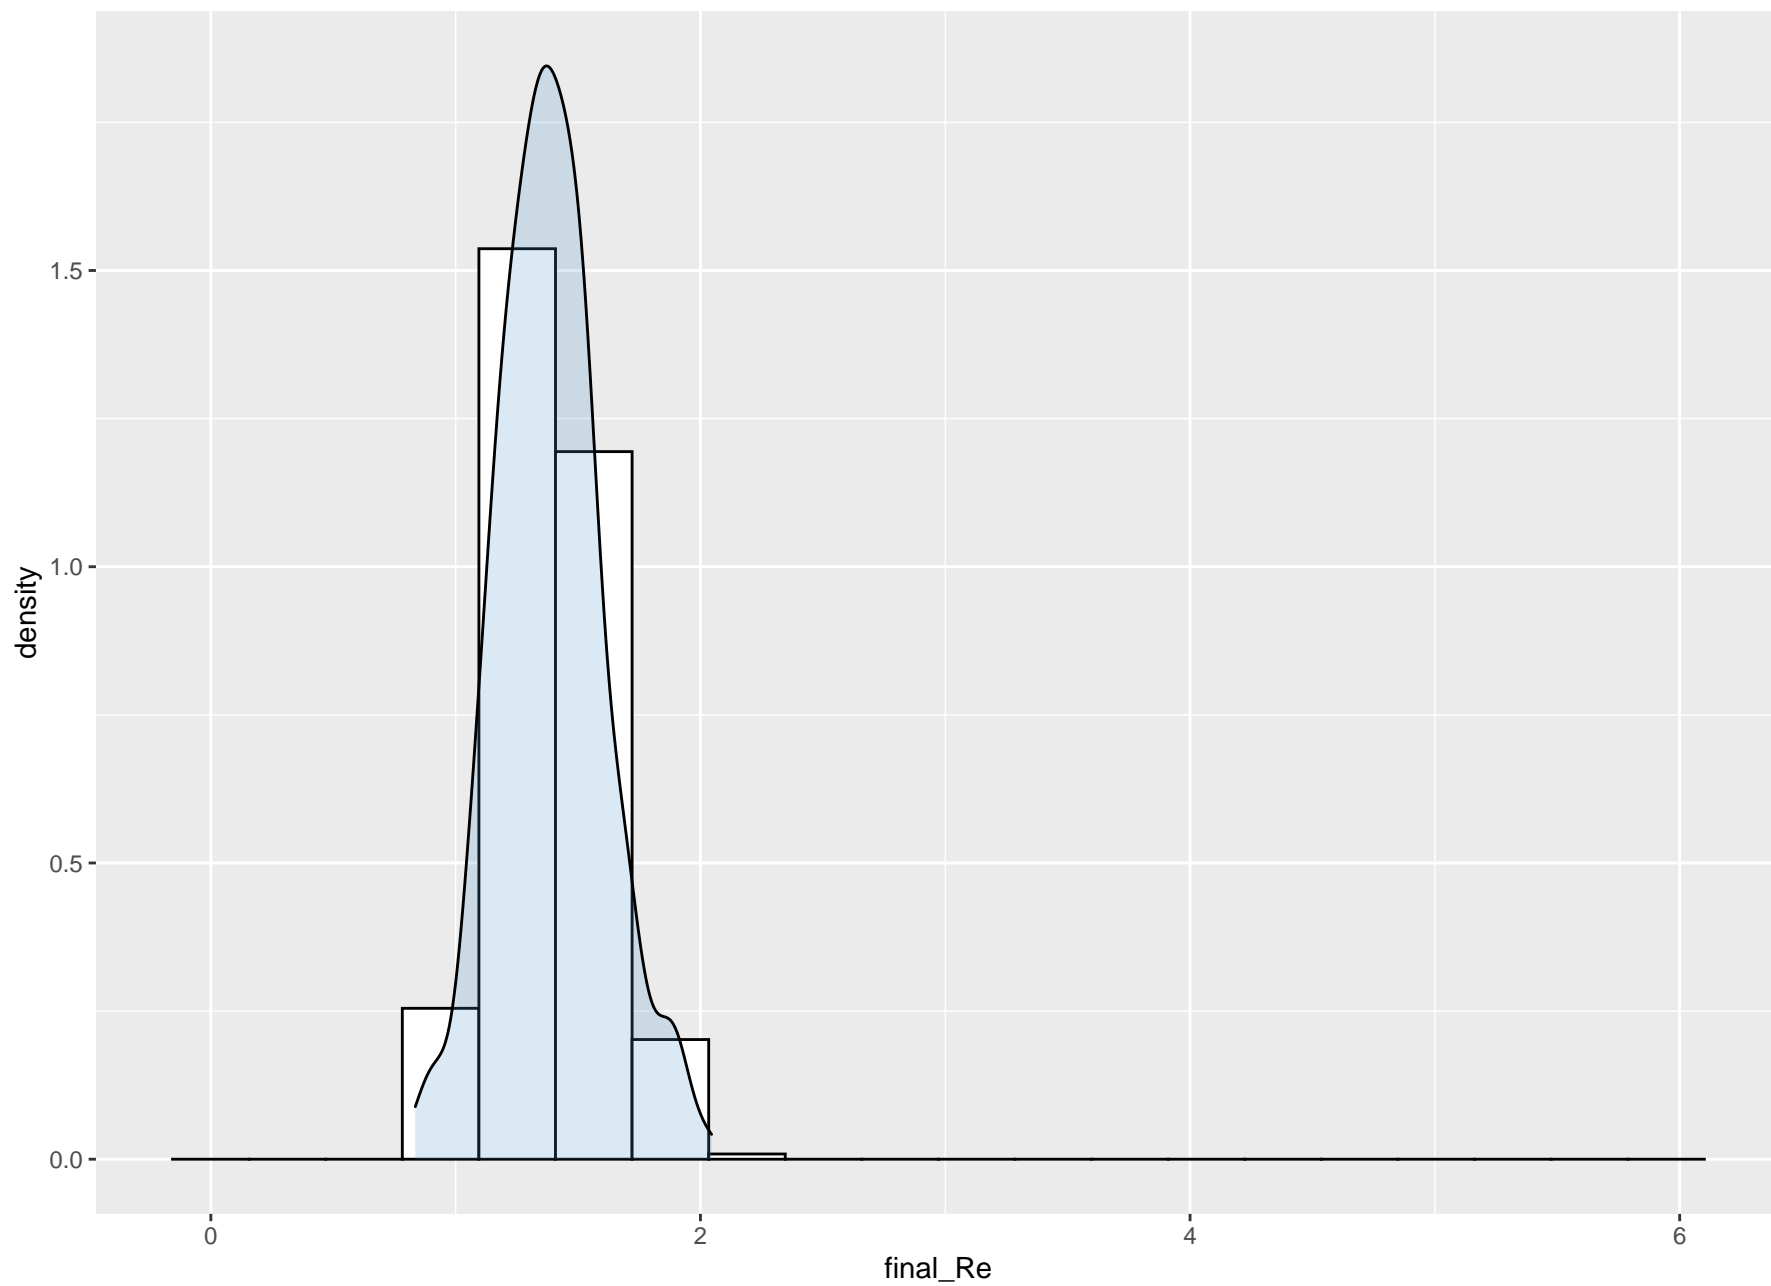

Posterior Distribution, niter = 364
Low number of iterations, use with caution

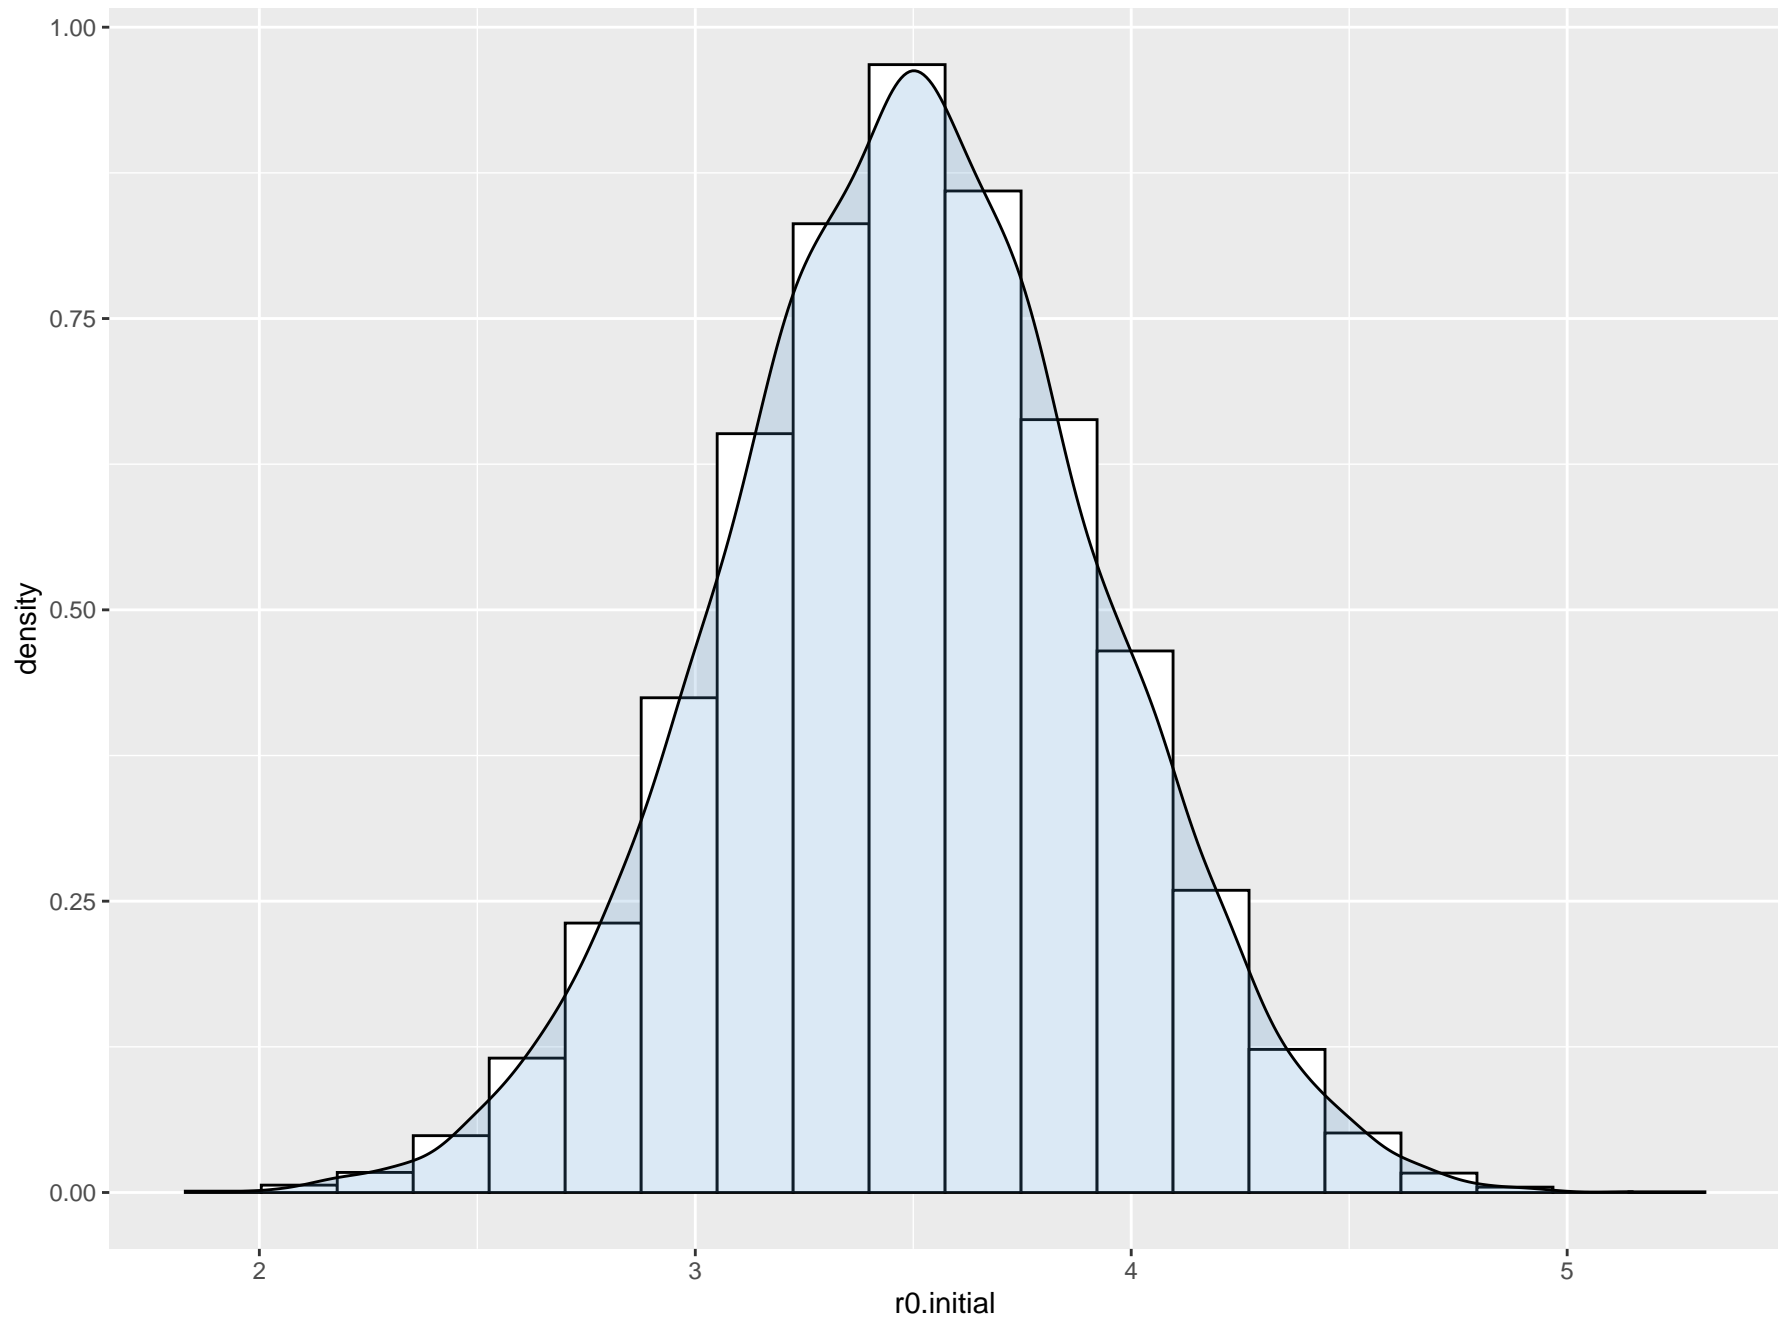

Prior Distribution, niter = 10000

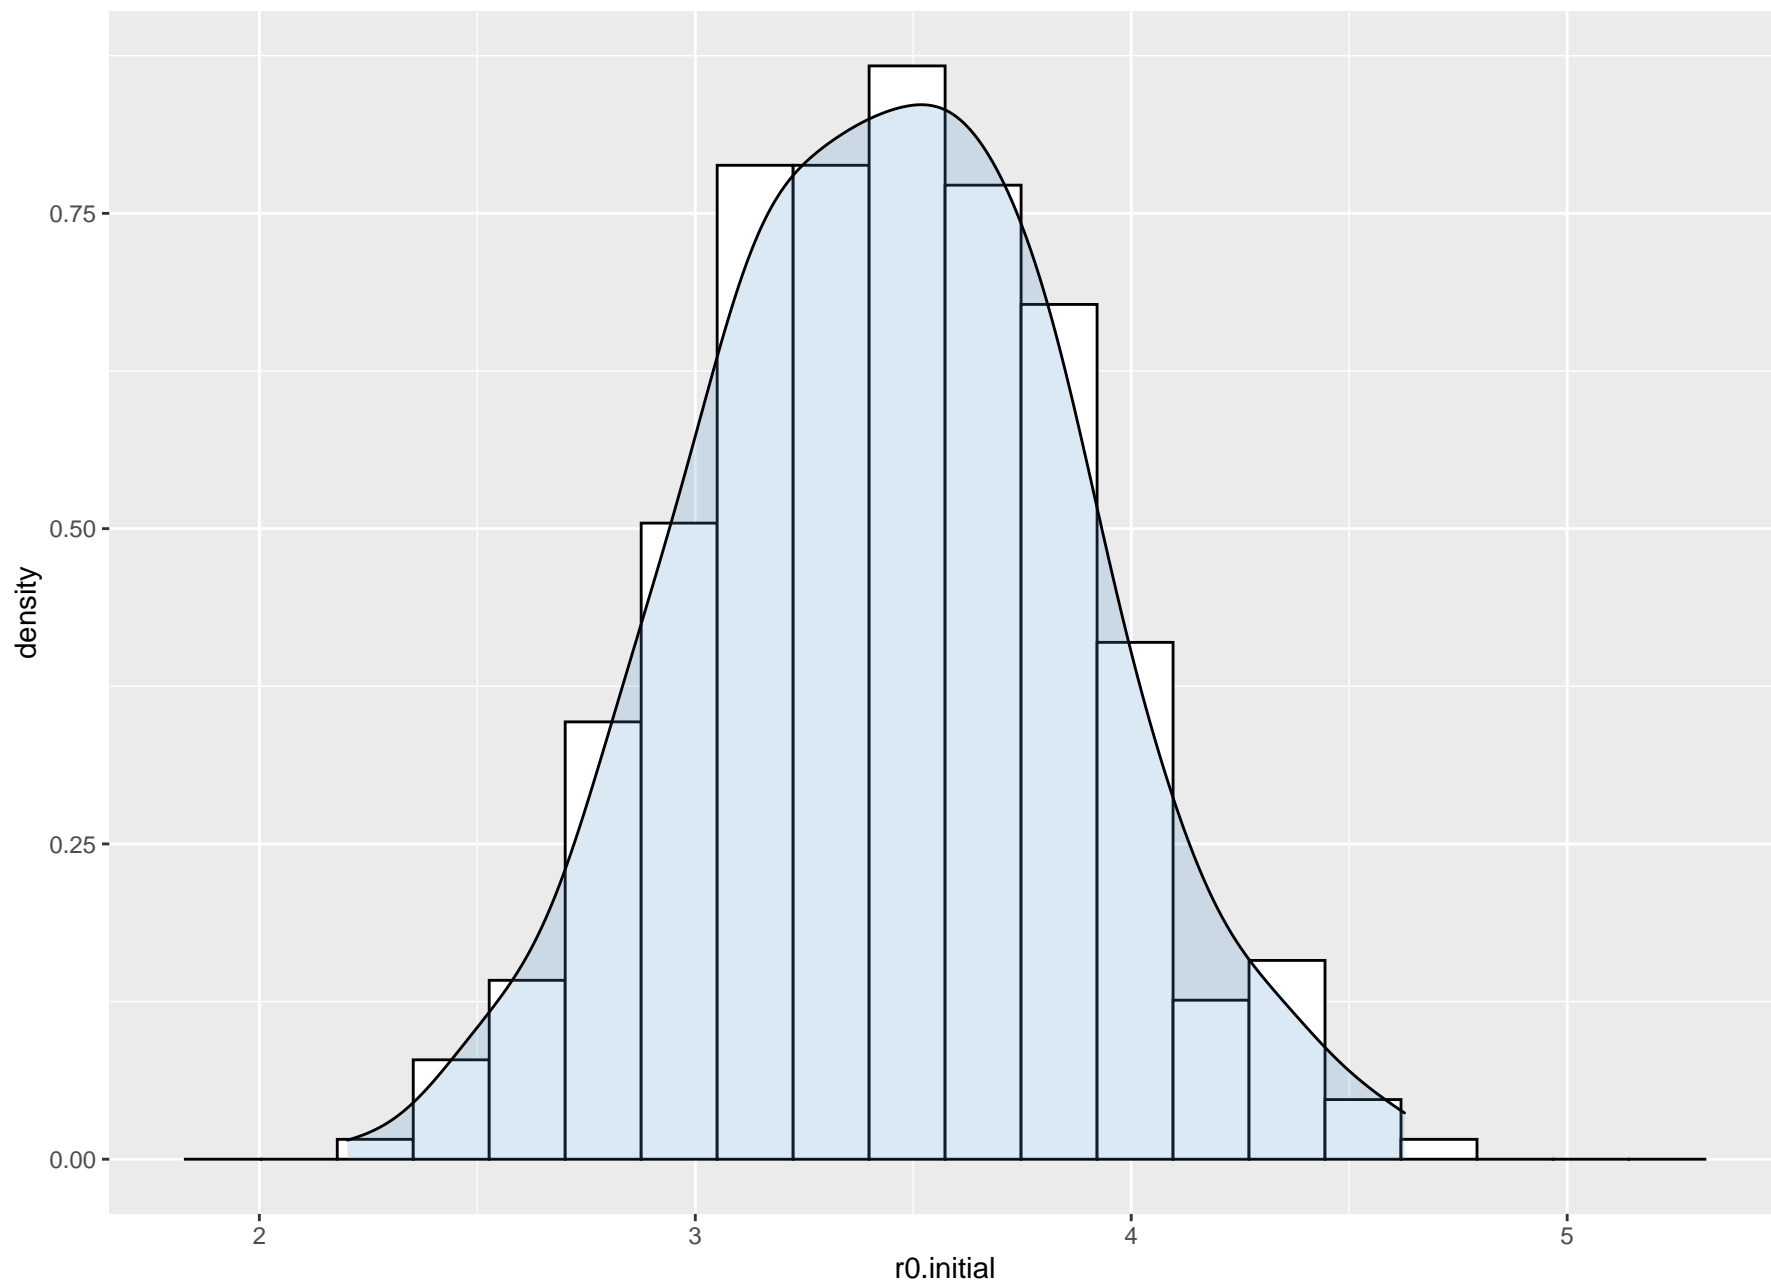

Posterior Distribution, niter = 364
Low number of iterations, use with caution

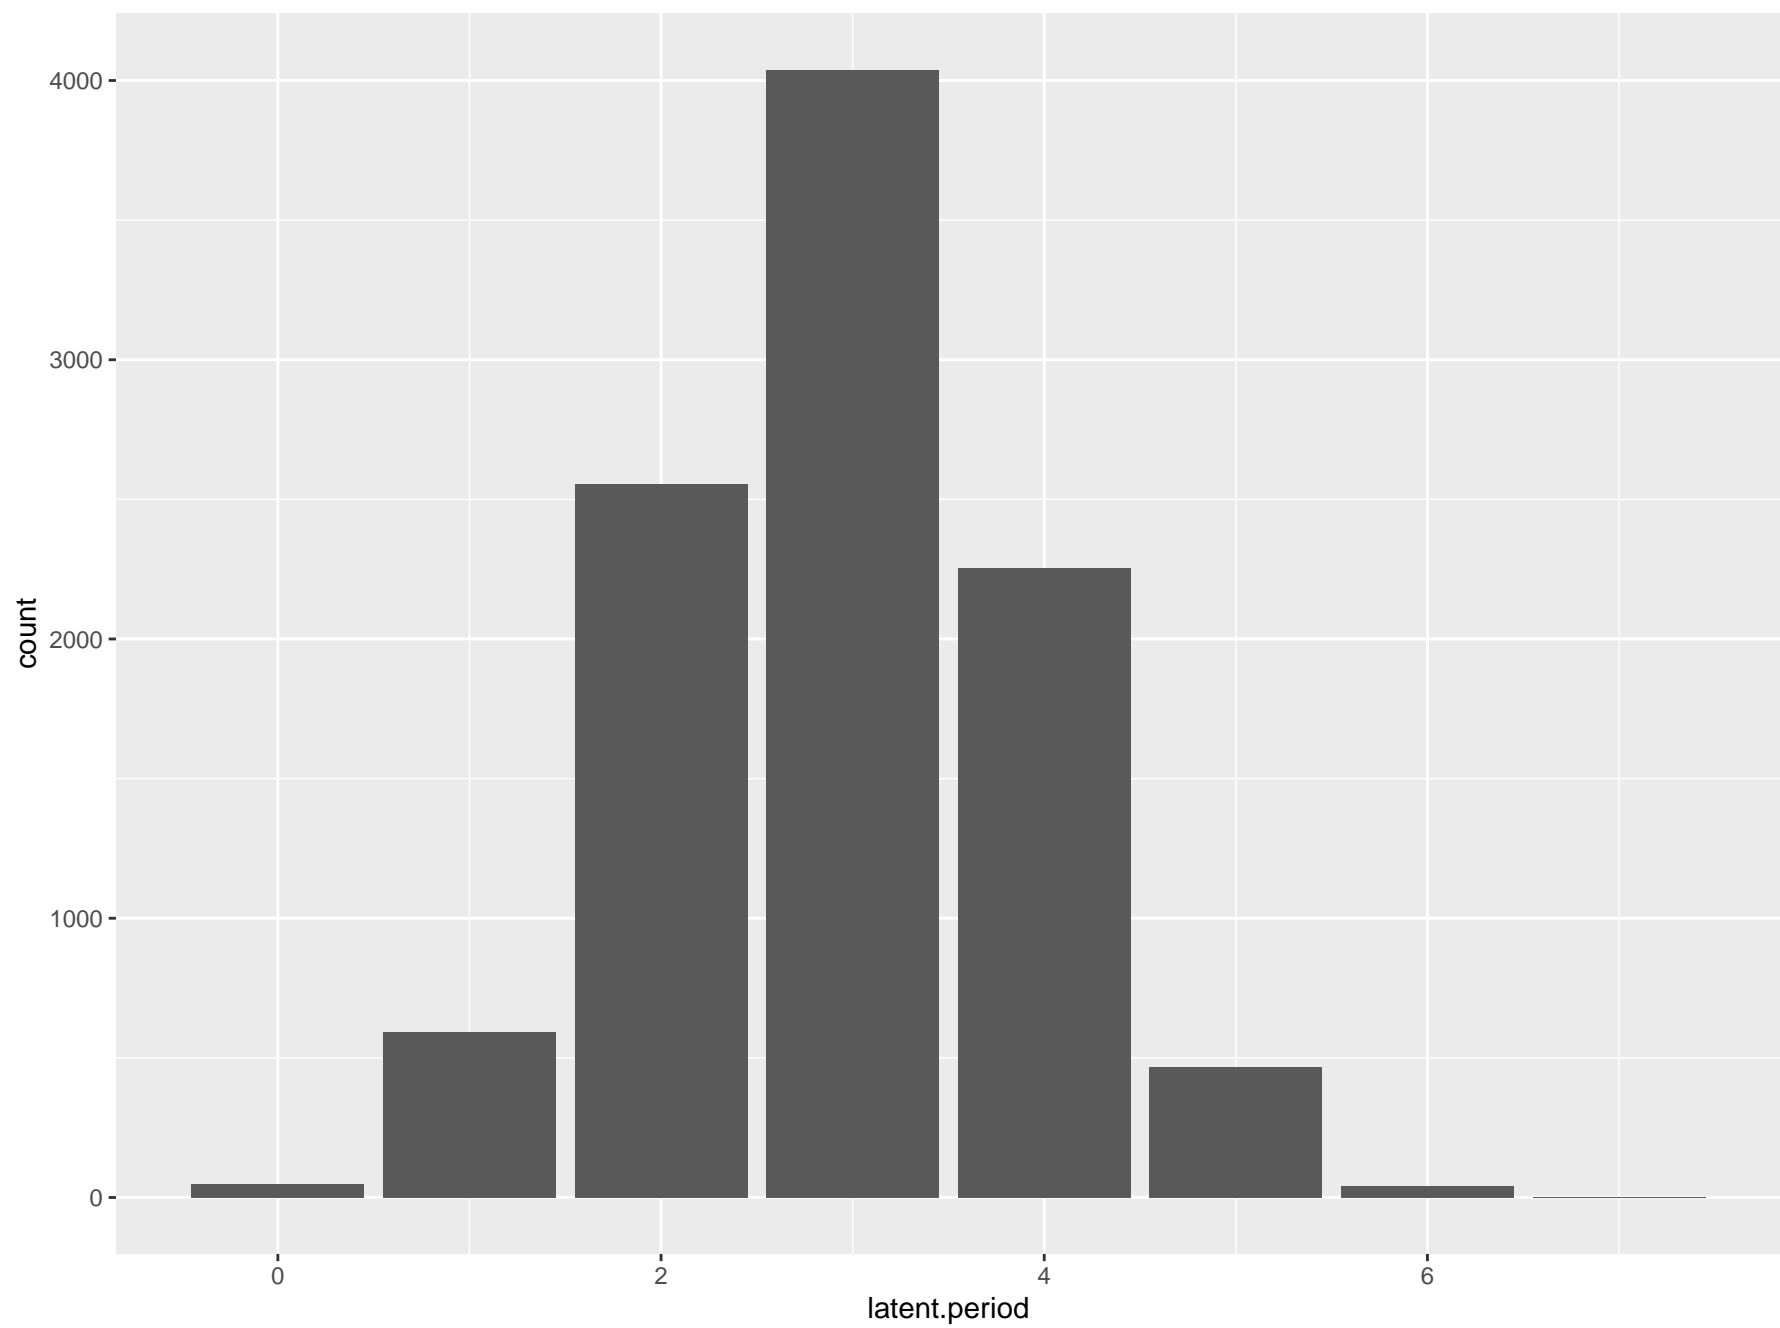

Prior Distribution, niter = 10000

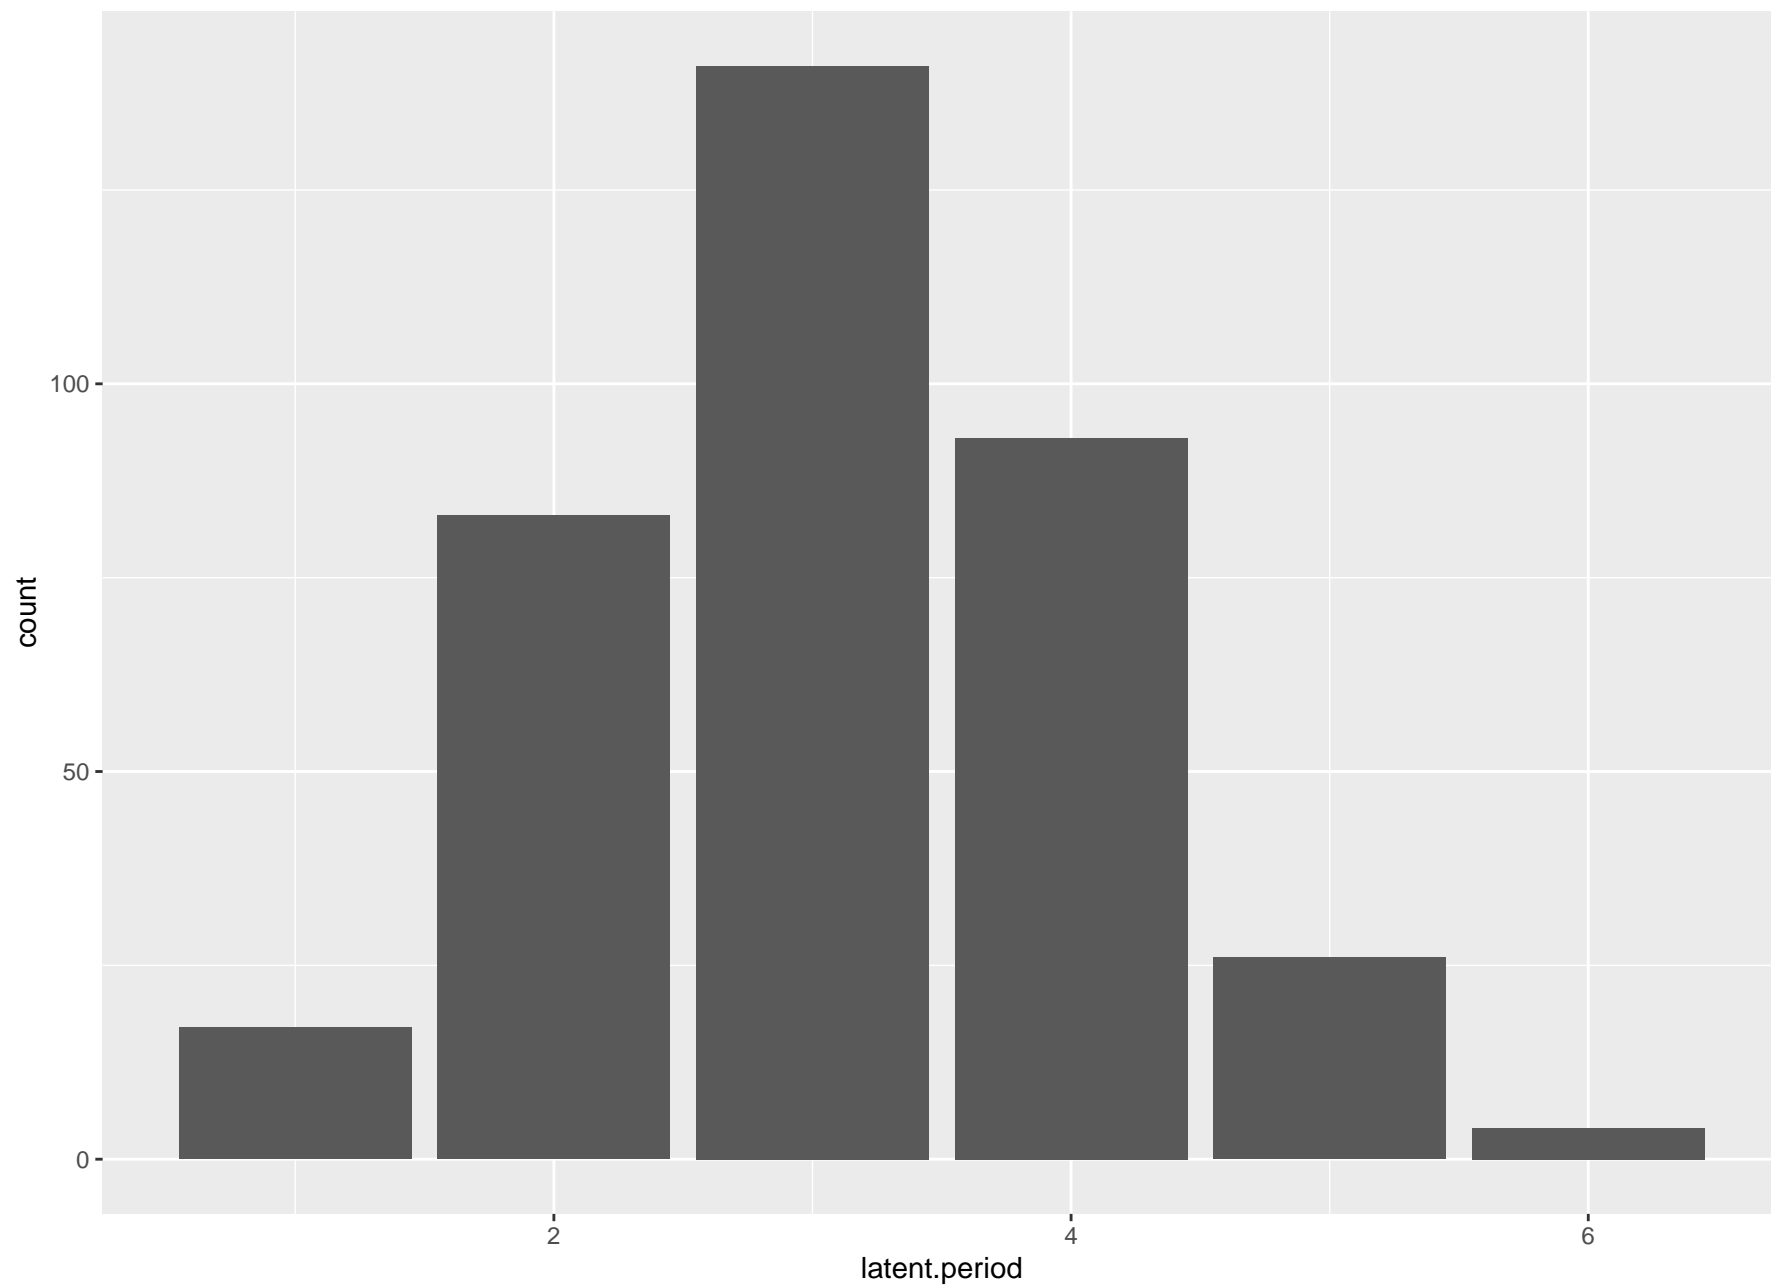

Posterior Distribution, niter = 364
Low number of iterations, use with caution

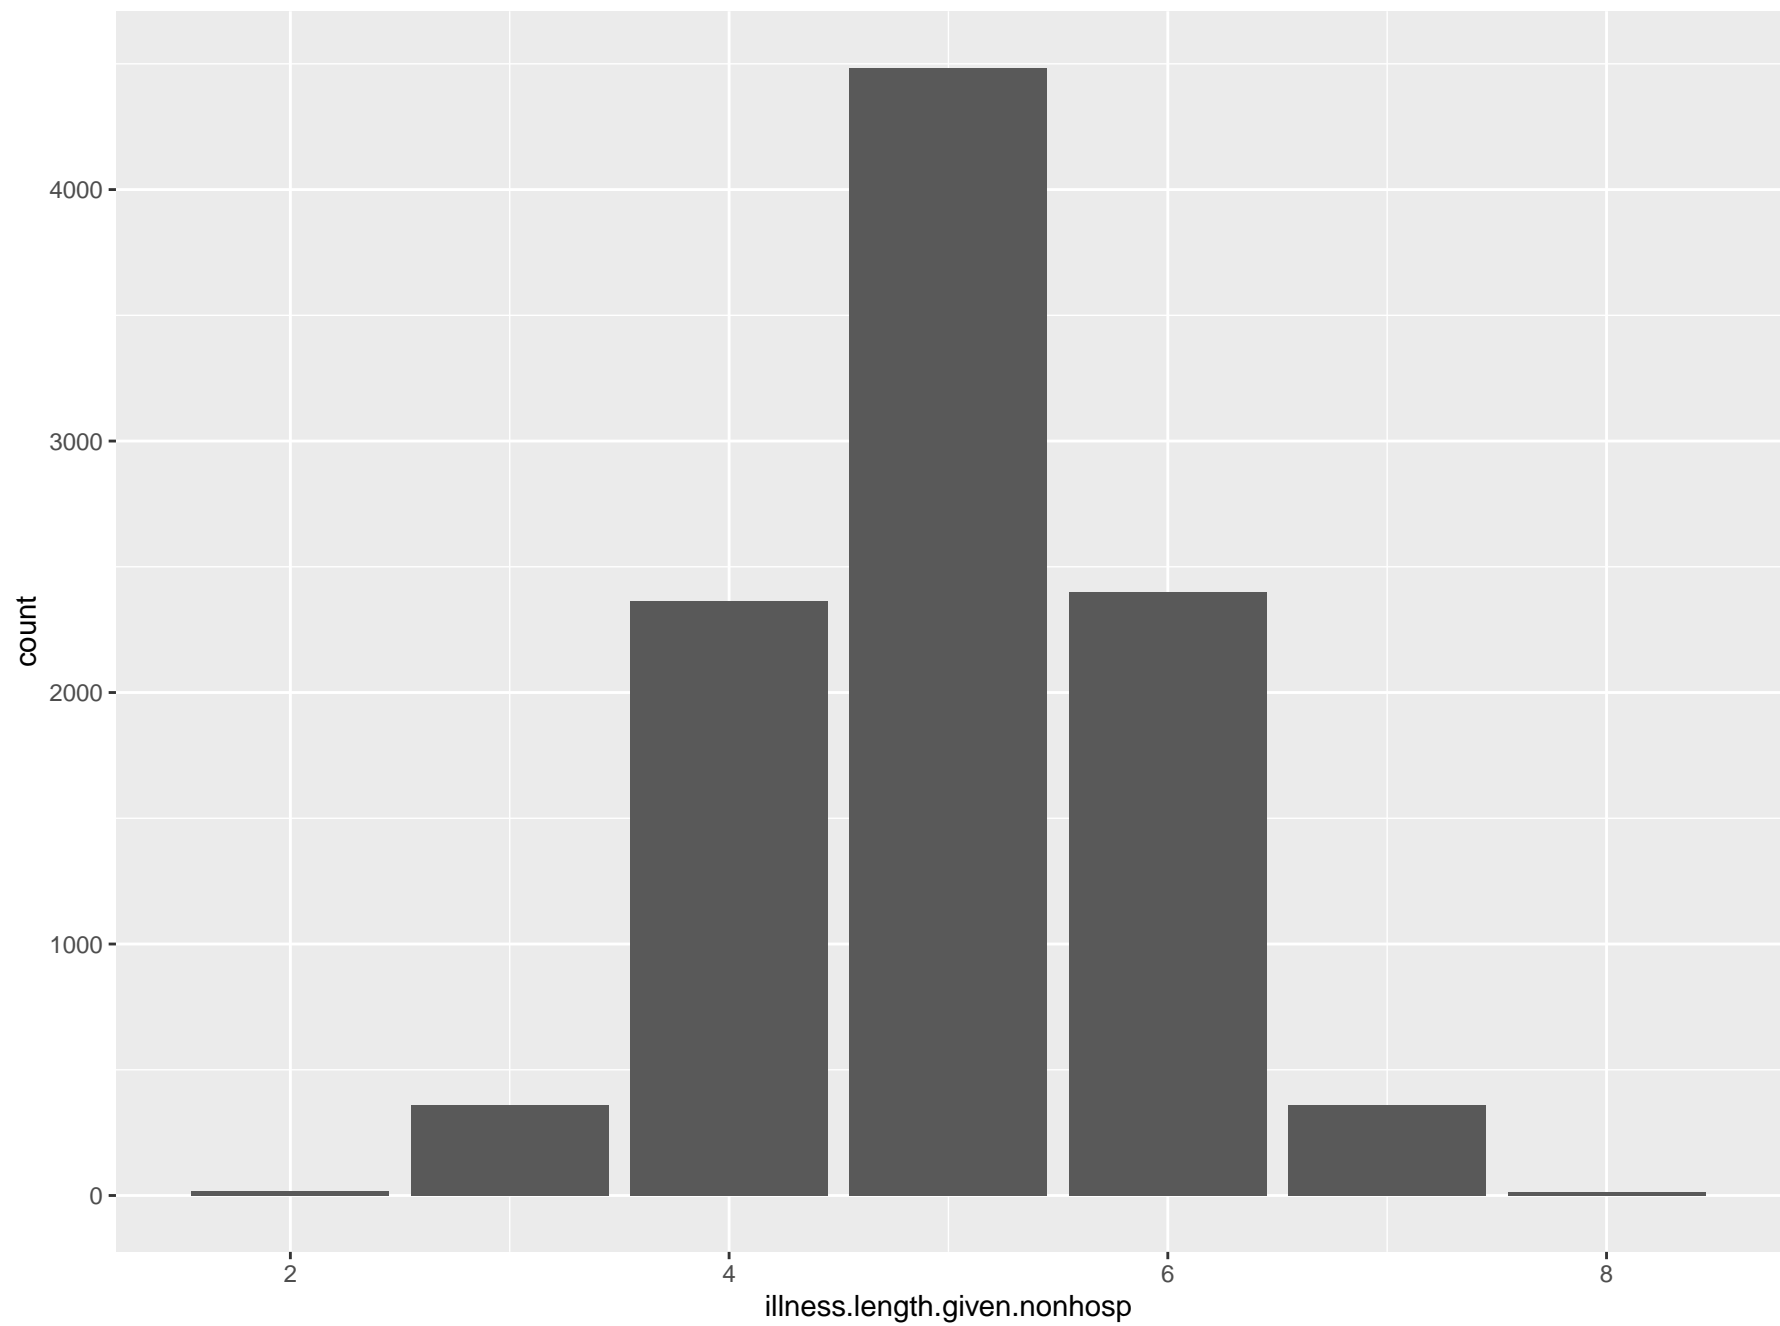

Prior Distribution, niter = 10000

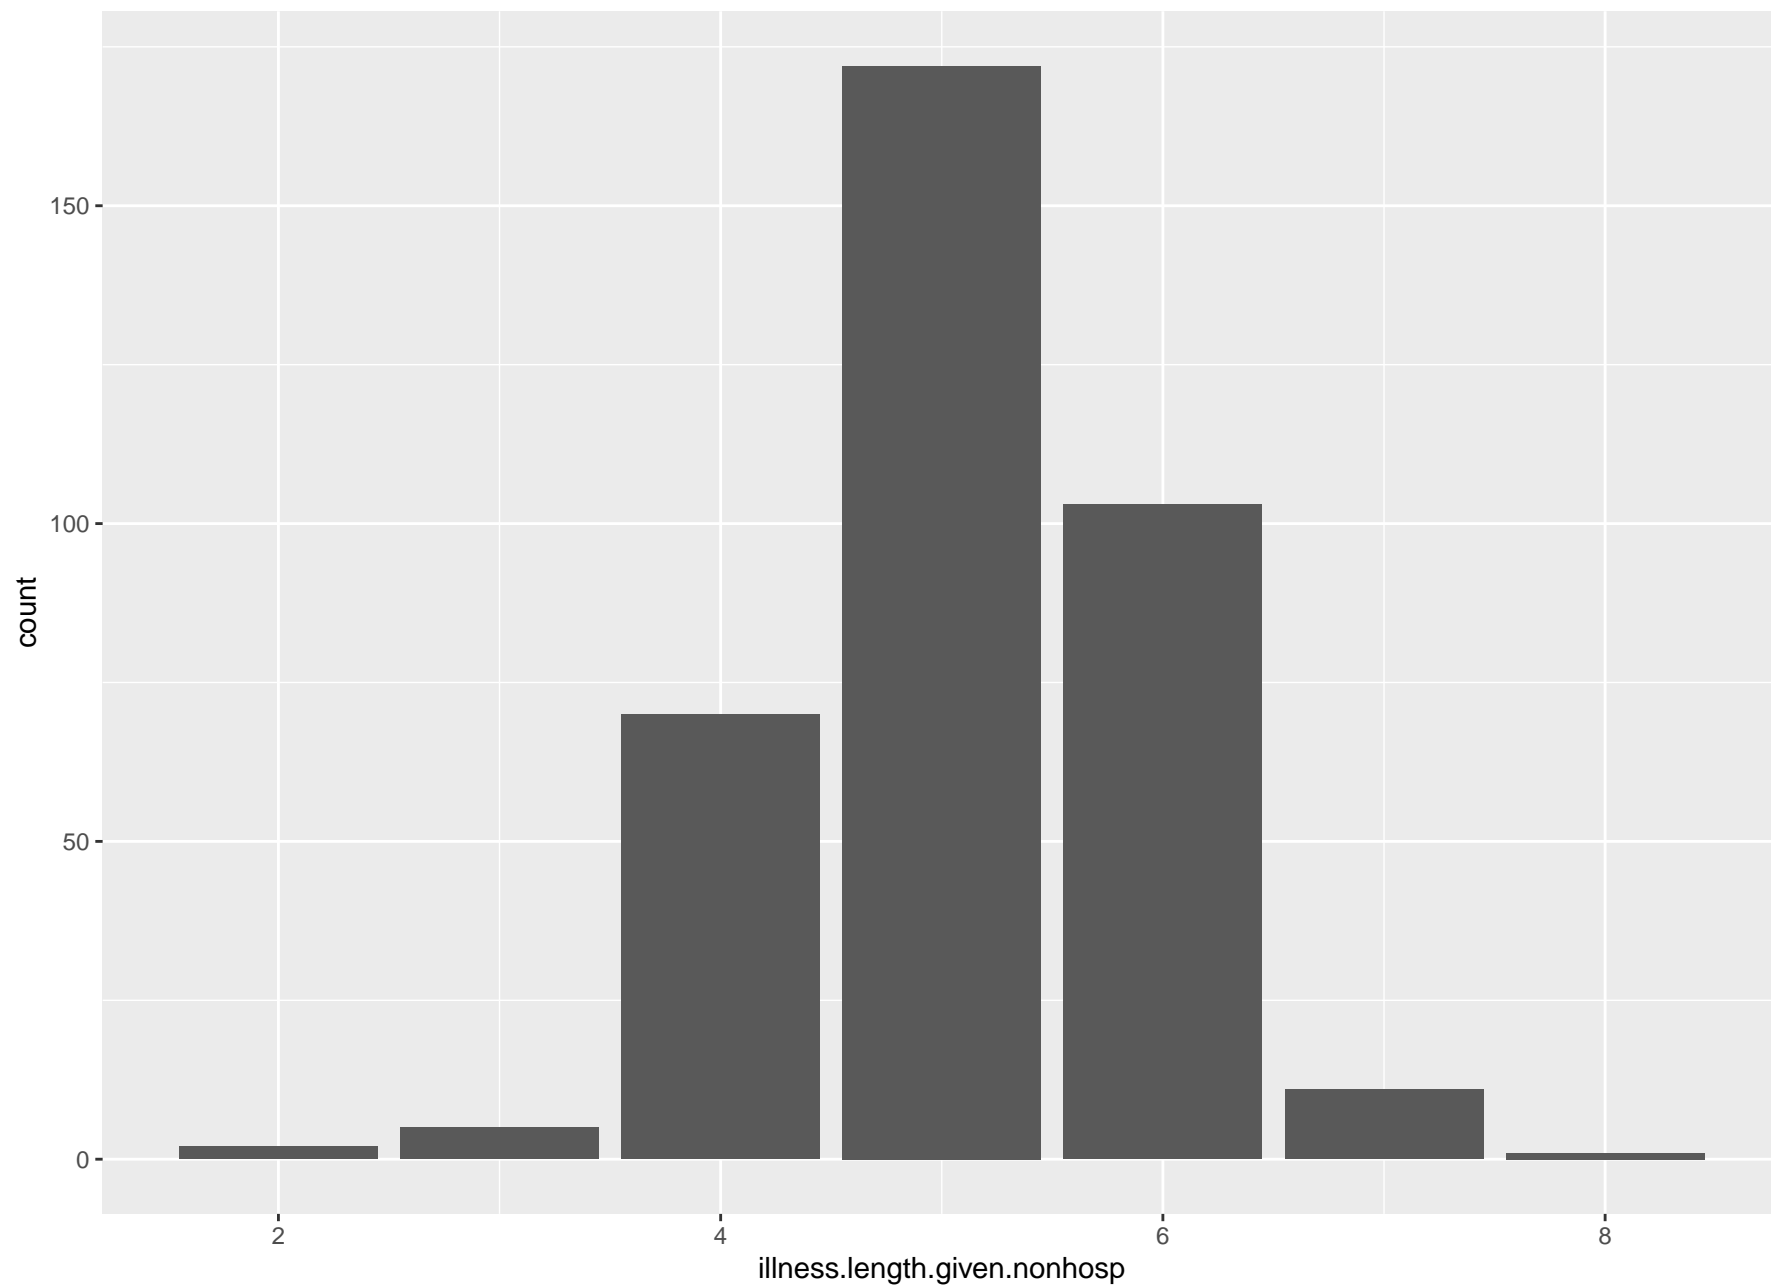

Posterior Distribution, niter = 364
Low number of iterations, use with caution

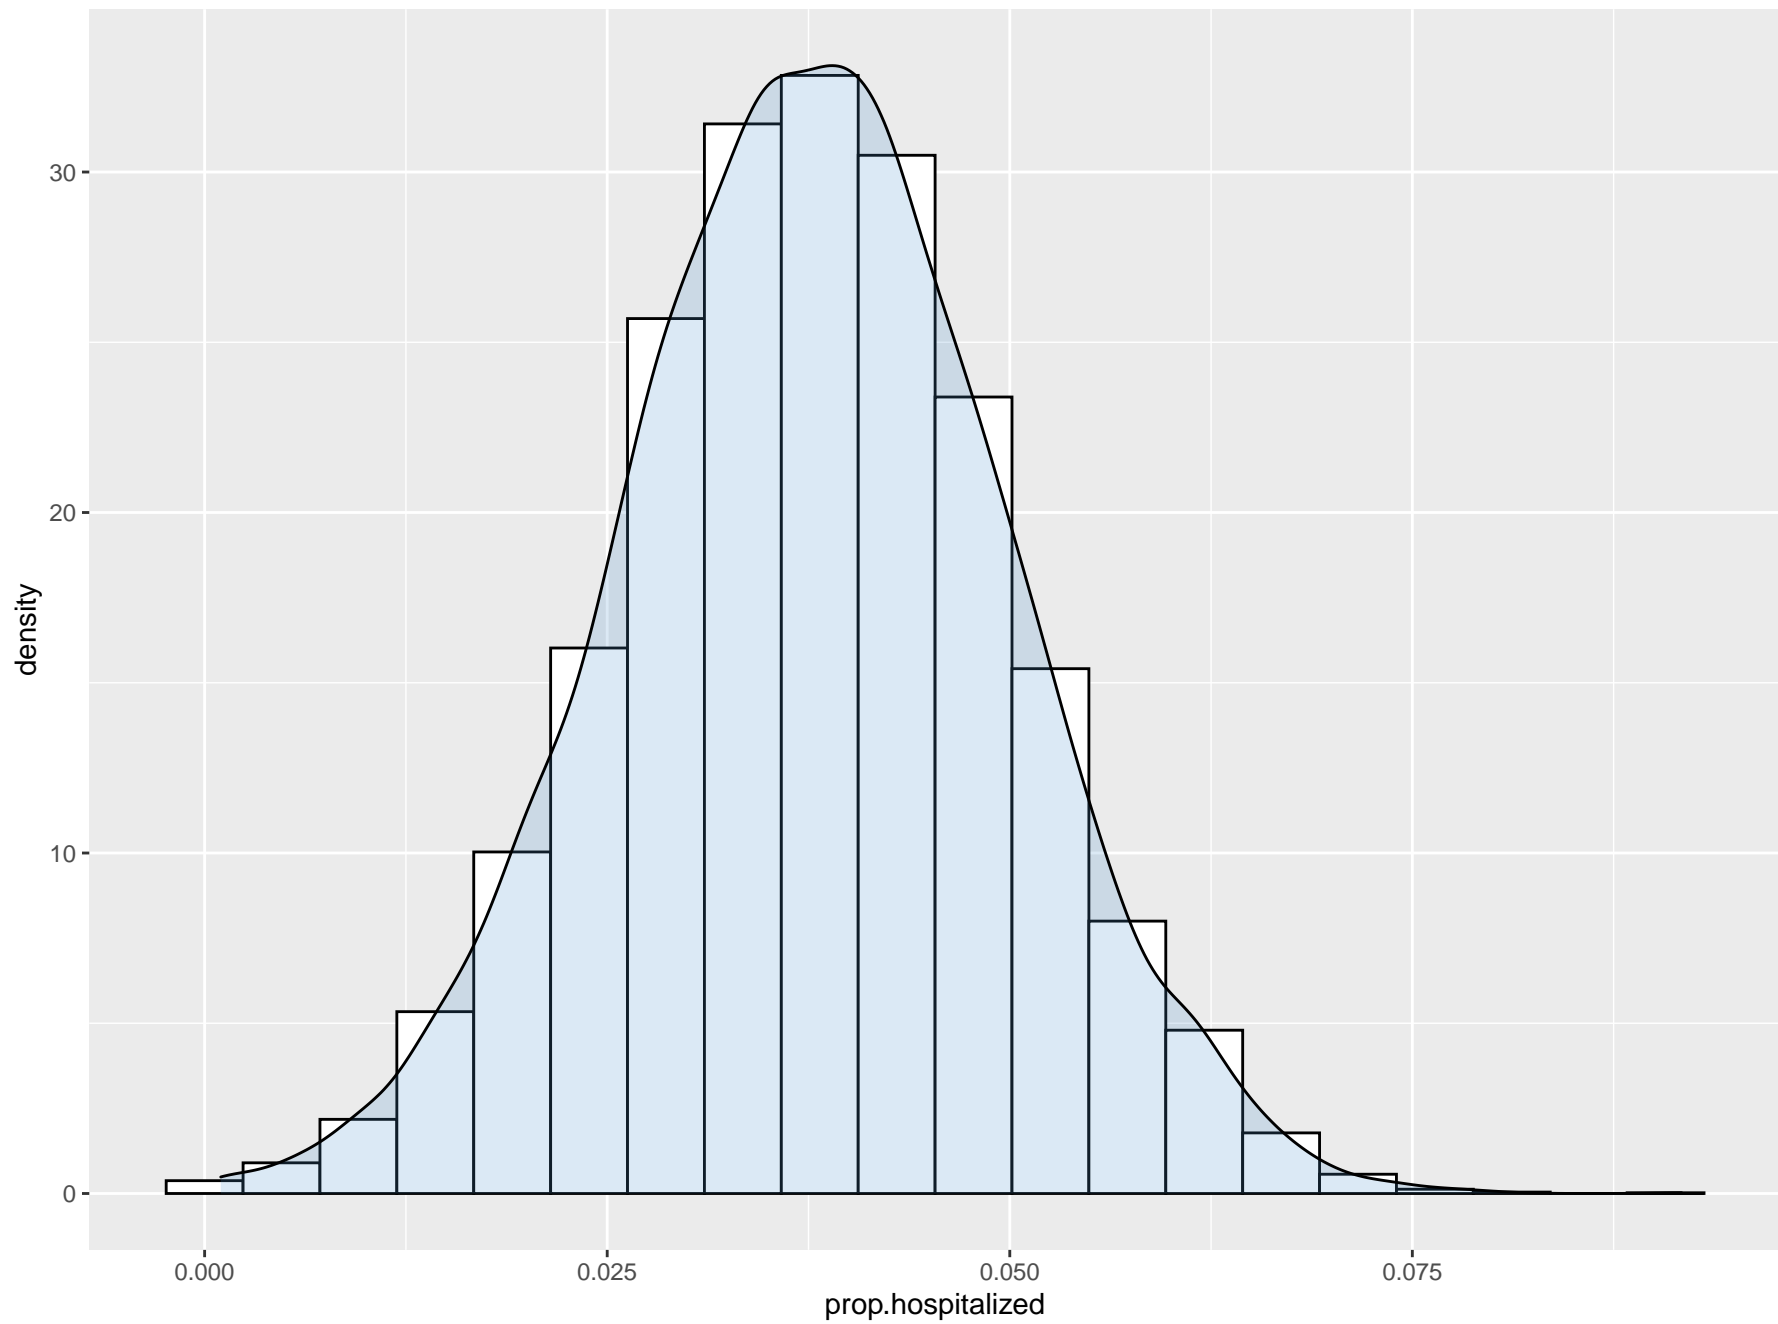

Prior Distribution, niter = 10000

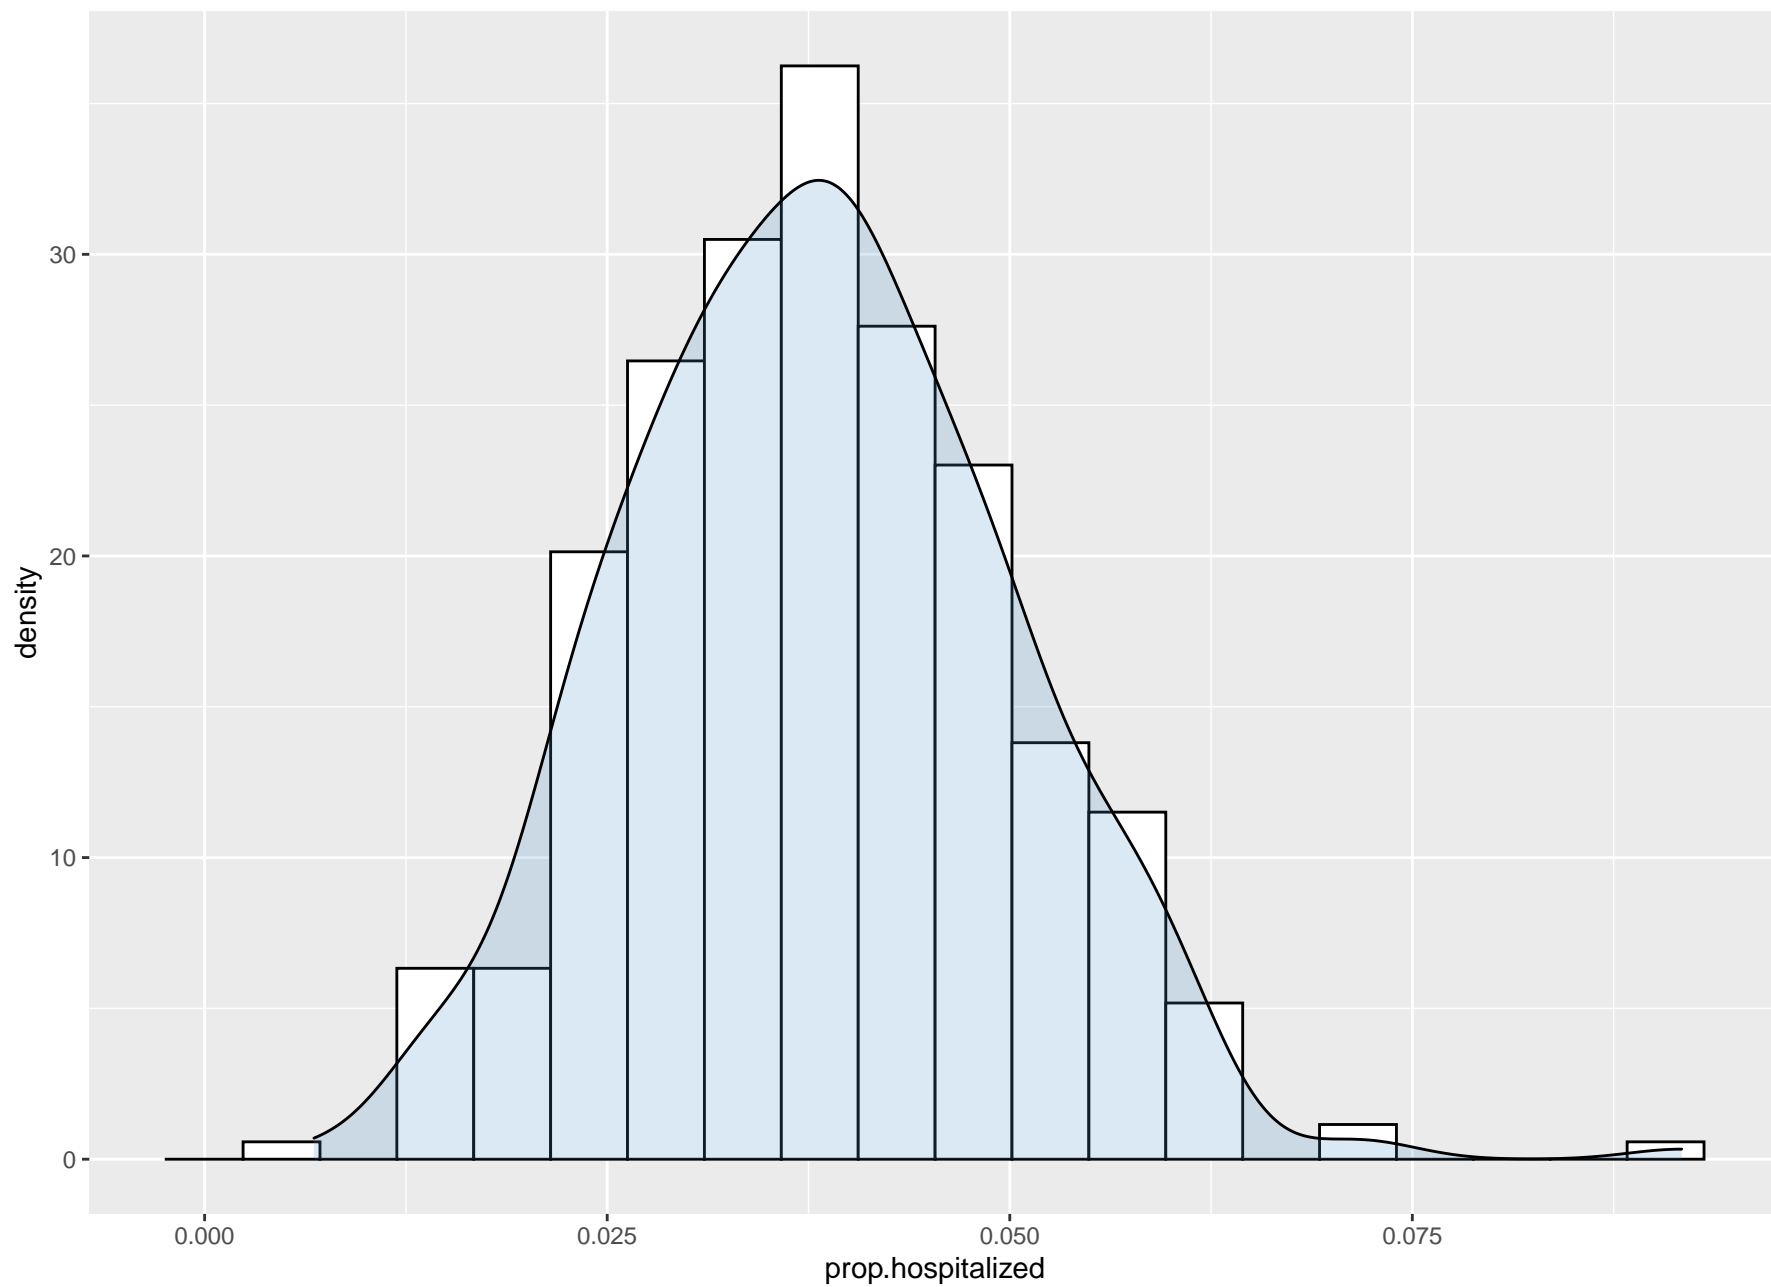

Posterior Distribution, niter = 364
